2008-2009 HOME SCHOOL PE CLASSES

Net Results Soccer Training does more than just soccer! We are pleased to offer a program to provide Physical Education classes for home schoolers ages 6-12. Instructor Jeff Benjamin is the PE teacher at Rivendell Elementary in Fort Collins.

Weekly one-hour mixed-age classes will focus on agility, balance, strength and fitness in an engaging, active environment. There will also be an emphasis on team sports and activities; not just soccer but softball, volleyball, football and more. The focus is on skills, teamwork, rules and healthy competition, rather than winning or losing. We will divide participants by age/ability level when appropriate.

Sign up for 4 to 6 week blocks as you go (you can even sign up in the middle of a block, prorated, for the remaining weeks), or receive a discount when you sign up for the entire fall.

Come play with Net Results!
